Percentage: 74.0%

SSLC, St. Arulanandar Higher Secondary School (2017 - 2018)

Percentage: 86%

Certifications

Web Development Certification, Login360 – Chennai (Aug 2024 - Dec 2024)

- In-depth learning of HTML, CSS, JavaScript, and React.js.
- Hands-on experience building modern, responsive web applications.
- Focused on web design principles, accessibility, and industry best practices.

Internship Experience

Internship Trainee, iLife Technologies, Trichy (Jan 2022)

- Completed 3-day hands-on training in Object-Oriented Programming (OOP) using Java.
- Gained practical knowledge in core OOP principles like inheritance, polymorphism, and abstraction.
- Developed Java applications demonstrating basic programming concepts.

Projects

Amazon Clone Website

Technologies: HTML, CSS, JavaScript

github.com/Rubin737/Amazon-Clone

- Designed and developed an e-commerce website with features like a dynamic cart, checkout page, and responsive UI.
- Achieved load times under 2 seconds across devices, optimizing performance without compromising visuals.
- Implemented JavaScript-based functionality for a seamless user shopping experience.

Food Delivery App

Technologies: React.js, CSS

github.com/Rubin737/Food-Delivery-App

- Built a React.js-based food delivery app featuring menu browsing, order placement, and real-time tracking.
- Developed reusable components and managed global state using Context API.
- Enhanced user experience by ensuring responsiveness across devices with CSS Flexbox and Grid.
